Sharing with those who are less fortunate and living in difficult circumstance has been becoming an annual activity of the D.N.N Motorbike Parts Joint Stock Company. We contributes by practical activities such as presenting gifts to studious poor children, encouraging and supporting poor patients, visiting orphanage centers ... In 2010, the DNN Company contributed VND 80 million to the “Understanding the Heart” program by purchasing 800 “Understanding the heart” books in the launching ceremony of the “Understanding the Heart” Charity Association in Ho Chi Minh City.

Following these activities, on July 15th, Ms. Nguyen Duong Ngoc Nu - President of the DNN Company as well as an Executive Board member of the “Understanding the Heart” Charity Association - attended the “Understanding the Heart” program first held in Hanoi with its theme "Connecting the Heart". This program was held by The Vietnam Union of Friendship Organizations (VUFO) in collaboration with "Understanding the heart" Charity Association so as to increase community awareness about charitable activities for helping Vietnamese children in difficult circumstance and misfortune.

Here are some pictures in the Gala Dinner – Understanding the Heart on 15 of July:
